Present: Village Trustee/Chairman, Caylin Muehlberg
Trustee Diane Barton
Trustee Julie Roberts

Others: Director of Public Works (DPW) Chris Bartlett
Deputy Clerk/Treasurer Allison Longhenry

Committee Chairman Muehlberg called the Recreation Committee Meeting to order at 6:00 p.m. The Pledge of Allegiance was recited.

Discussion/Action: Pool a) assistant pool manager b) repairs/alterations. a) The committee reviewed a request from Sarah Covey, Grantsburg Municipal Pool manager, to hire Olivia Brock as an assistant manager at the pool. Brock is currently a WSI certified lifeguard and a head lifeguard at the pool. She also teaches swimming lessons for the Grantsburg School District. Covey is requesting to share her manager hours with Brock to free up several weekends per month when she is out of town in the summer. Covey will do pre-season prep, after-season closing duties, concession supplies and oversee Brock. The committee thought this was a good idea and would like a schedule of who is managing on what days provided to the Village Office and DPW Bartlett. **Motion by Trustee Barton, second by Trustee Muehlberg to recommend the Administration approve offering Olivia Brock the Assistant Manager position for the Grantsburg Municipal Pool at \$12.50 per hour to be paid for all of Brock's duties including lifeguarding. Motion carried.** b) Pool Manager Covey also requested the Village crew work on the following repairs/alterations prior to the 2020 season opening: 1) installing a self-closing hinge on the gate on the east side pool fence, 2) installing a new sink in the concession stand 3) make sure the boiler and filter system are working and 4) fixing the leaking showers. The committee spoke with DPW Bartlett who indicated the crew would be working on 1 and 2, 3 has already been completed and 4 will be looked at prior to the 2020 season opening. Trustee Muehlberg indicated she had talked with crew member/water & sewer operator, John Erickson, about taking over the duties at the pool that have been handled by DPW Bartlett in the past. This would free up some time for DPW Bartlett. Bartlett will discuss this with Erickson.

Discussion/Action: Flower colors for hanging baskets. The committee discussed eliminating the pink/fuchsia colors from the flower baskets the Village purchases from Wood River Nursery and hangs around town. These colors don't compliment the colors in the new banners selected by the GRO committee. Clerk/Treasurer Meyer will send an email to Dean at Wood River Nursery with pictures showing the new banner colors and ask him to adjust the flowers for 2020, if possible.

Discussion/Action: Partition for Community Center. The committee discussed a partition for the Community Center which would allow rentals of smaller areas during the gymnastics season when their equipment is set up. Trustee Barton presented some research she had done regarding partitions. She will continue to research options and report back.

Discussion/Action: Adjournment. Motion by Trustee Roberts, second by Trustee Barton to adjourn the meeting at 6:40.
