Water/Sewer/Refuse Utility

316 S. Brad Street
Grantsburg, WI 54840

715-463-2405
FAX 715-463-5555

Welcome to the Village of Grantsburg

A few notes for new residents -

- Water meters are installed within the building. As such, you agree that the Village can have access at all times to your meter(s). The Village will give notice, when possible, when access to the meter(s) is needed and will try to work with your schedule.
- The person listed on the account is responsible for all amounts due to the Village.
- Utility bills are sent at the end of each quarter and are due 20 days after the bills are sent.
- We can **auto-withdraw (ACH payment)** the amount due on your utility bill from your banking account on the due date. An authorization form can be found at www.villageofgrantsburg.gov under Village Government, Forms, or at the Village office. This service is free of charge.
- Utility bills can also be paid with a credit/debit card or e-check online. Visit www.villageofgrantsburg.gov, under I Want To, select Pay my bill. There is a fee for using this service.
- The Village also accepts monthly payments.
- **Garbage & Recycling** is picked up on Wednesdays; garbage every Wednesday and recycling every other Wednesday. A calendar is available at www.villageofgrantsburg.gov. The Village has a contract with Waste Management for residential services only.
